BOY SCOUTS GET AMERICAN FLAG

W. Russell Green Presents, as C. M. Little Makes Pledge.

AMERICAN LEGION GIFT

As a fitting beginning for "Boy Week," the H. D. Speakman American Legion Post No. 356 held a special meeting on Monday evening in the interest of the Boy Scouts of Narberth. It was on this occasion that they presented the boys with a large American flag.

In addition to the officers and members of the Legion, there were in attendance upward of 35 scouts, and a goodly number of fathers. The scouts were in command of Scoutmaster Benjamin J. Cook. The meeting was held in the Legion room at the Community House.

Following the formal opening of the Legion meeting, the regular order of business was suspended by Commander Allan E. Shubert. He outlined the purpose of the special meeting which was in the interest of the boys, and then called upon W. Russell Green to make the presentation of the flag. It was accepted on the part of the boys by C. M. Little, chairman of the Troop Committee, with fitting remarks concerning the fine spirit of co-operation that exists between the two organizations.

Mr. Green, in his remarks, impressed upon the boys the many great deeds that had been done in the cause of the country for which that particular flag stood, and admonished them to live such lives that would continue to bring glory and credit to it. "In its folds," he said, "are woven more than mere silken threads. Those who have preceded us, by their very acts have woven into it 100 per cent. Americanism, which was done through great sacrifice."

Mr. Little, in thanking the Legion for its generous gift, gave the assurance that so far as the boys of Troop 1 were concerned they would do their utmost to uphold the traditions of the flag and the country for which it stands.

Following the flag ceremonies, W. M. Keenan, secretary to ex-Senator George Wharton Pepper, was presented to the boys, who gave him a rousing cheer. He spoke enthusiastically about the scout work, citing instances of boy activities prior to the organization of the scout movement. His remarks were greatly enjoyed by the boys, especially the humorous jokes.

As a special feature for the scouts, the Legion initiated into its membership Fred. Gray, going through the regular initiatory exercises.

WYNNEWOOD HONORED

Scout Troup Gets Many Posts in Boy's Week Elections.

The Wynnewood Boy Scout troop ranked high in the elections for township offices during Boys' Week. The president of the township commissioners and the township treasurer, both posts of political prominence, were won by that troop.

The Wynnewood Scouts, whose membership is made up largely of boys from Narberth and vicinity, also was honored this week by receiving the highest rating for the winter troop inspection. The average was 90 per cent, and an honor troop diploma was awarded. Jack Foster, of Brookhurst avenue, is scoutmaster.

The Boys' Week officials, elected by their fellow members of the township, were as follows:

Fred Bates, President of the Council; Proctor Wetherill, Commissioner; C. Ross, Township Treasurer; E. Lane, Police Sergeant; C. Spencer, Director of Board of Education.

The following were elected to the posts of traffic policemen: Morton Neff, John Gordan, Murray Patton, C. Payne, John Bright, William Dorsey, T. Payne and R. Wetherill.

The boys were "sworn in" at 4 P. M. yesterday. They held office and had complete charge of the township affairs for one hour.

POLICE FUND

In three years the fund accumulated by the Police Pension Association of Lower Merion Township amounts to \$37,482.76. The fund must be increased to at least \$100,000 as a sufficiently substantial endowment for the immediate future.

The policemen pay monthly dues, but to provide protection against old age and the risk of disability in such an occupation, the officers and directors of the association must appeal to the generosity of the citizens.

All contributions, large or small, will be thankfully received. Your check for \$5 or as much more as you care to contribute to this worthy cause will be promptly acknowledged, and you will be enrolled as a sustaining member in accordance with section 1 of Article I of the by-laws. Why not make each of your family a sustaining member?

FLOOD RELIEF FUND TOTAL IS GOING UP

Main Line Schools, Churches and Scouts Aid Sufferers.

NOW CLOSE TO \$5000

The board of the Main Line Branch, No. 1, American Red Cross, have been very much touched by the interest that younger people have taken in subscribing to the Mississippi flood relief fund, also the number of churches, Boy Scout organizations, etc.

Owing to the increase of the quota a number of people, who already had given, are making an effort to give again.

The Emergency Aid of Pennsylvania has requested money for purchase of clothing for children or new articles of clothing which may be left at Mr. William T. McIntyre's, Lancaster Pike, Ardmore, or Mrs. J. Clifford Jones, Wynnewood avenue, Wynnewood.

Distribution of these articles will be made through the courtesy of the Red Cross.

Mrs. Harold C. Fenno, captain of the American Red Cross in Narberth, has received many contributions to the Mississippi Relief Fund for the relief of the sufferers of the Mississippi Valley Flood.

At a meeting held Tuesday at Bryn Mawr Mrs. Alex. Brown, chairman of the Main Line Branch of the American Red Cross, reported \$4800 received.

Narberth churches have been quick to respond to this worthy cause. The following are the amounts received to date, with more coming in daily: Baptist church, \$127.31; Presbyterian church, \$80; Campfire Girls, \$10.

The clubs and organizations of Narberth have been asked to contribute, and next week it is hoped a more complete account can be given.

Money or checks can be placed with the Merion Title & Trust Co., The Narberth National Bank, Narberth post office, or sent to Mrs. H. C. Fenno, 600 Essex avenue.

Clothes that can be sent to the sufferers will gladly be called for by Mrs. Fenno. Phone Narberth 3963 W.

WILLIAM J. KAEHLER

William John Kaehler, 25 years of age, died last Friday at his home, 121 Windsor avenue, after a long illness. Death was due to tuberculosis contracted several years ago after an injury to his chest.

Young Kaehler was the son of Mr. and Mrs. William G. H. Kaehler. The father, a retired tailor, is the owner of the garage property adjacent to the Narberth National Bank. He purchased the property several years ago and turned over operation of the garage to his son, who was compelled to give up the business due to ill health.

Funeral services were held Tuesday and burial was made at Westminster Cemetery.

MANY CONFIRMED AT ST. MARGARET'S

Auxiliary Bishop Administers Sacraments to 144 Boys and Girls.

ORPHANS' BAND PLAYS

At St. Margaret's Roman Catholic Church on Thursday afternoon, April 28, 1927, in the presence of a number of visiting clergy, and a congregation which thronged the church, the Sacrament of Confirmation was administered by the Right Rev. Michael J. Crane, Auxiliary Bishop of the Archdiocese of Philadelphia, to the largest class in the history of the parish.

The serried ranks of the boys and girls, drilled with painstaking care, afforded an impressive sight, and the dignity and decorum with which the ceremonies proceeded reflected the skillful direction of the Sisters of Mercy, the teachers of St. Margaret's School, who prepared the young candidates for their new spiritual estate.

The band of St. John's Orphan Asylum was on hand to greet the Bishop on his arrival at the rectory and he was also presented with a handsome bouquet as a tribute from the children of the parish. Those confirmed were:

Elizabeth Becker, Margaret Butler, Mary Bailey, Anna Brennan, Mary Blake, Margaret Blake, Mary Carr, Mary Case, Caroline Casey, Regina Coradetti, Rose Cruceinia, Mary Duffy, Ellen Daley, Anna Donahue.

Margaret Eichengreen, Jane Eichengreen, Eileen Ferguson, Mary Gallagher, Susan Gallagher, Julia Gallagher, Mary Giltinan, Mary Hewitt, Rosemary Heald, Dorothy Hood, Kathleen Hoey, Marion Herring, Margaret Hoyer, Anna Haulon, Marion Hook, Margaret Leahy, Eileen Leahy.

ANNOUNCE SCHOOL SPORTS MANAGERS

A. A. Gives Out Election Results—Third in Relays

WIN TENNIS, BASEBALL

Managers for next year's Lower Merion teams were announced Friday morning in assembly at the Senior High School by the Athletic Association.

The results of the elections were Lees, football manager; Russ and Murtha, assistant managers; Fitch, soccer manager; Glevon and Grey, assistant managers; O. Smith, boys' basketball manager, with Wilbur and Burgess, as assistant managers.

Patty Sellers, girls' basketball manager; Grace Adams and M. Snyder, assistant managers. Hope Burlingame, girls' hockey manager, and V. Jones and A. Morris, assistant managers.

Tuesday afternoon saw Lower Merion winning its first baseball game of the season over Abington by a score of 9 to 7 on the home field. The Lower Merion diamond men seemed to have gained more teamwork and consistent playing than shown in the previous games of the season with Upper Darby and Norristown. Although outbit by Abington 14 to 9 the Cochranites played more heady ball at crucial pinches.

Dobar, the Ardmore nine's star pitcher, hurled good ball and was given exceptional support by an inexperienced nine. Mulligan, Harris and Abramson each clouted twice each for safe hits, the former tallying three times for the Maroon and White. Dobar hit safely three times and was accredited with eight strikeouts and two passes. Chester will be played Friday at the ship builder's field.

Take Third Place.

The Penn relays turned out well for Lower Merion, both on Friday and Saturday afternoons, despite the fact that on each occasion the Maroon and White was forced to take third. The relay team composed of Captain Frank Houseman, Gerenbeck, Knipe and Baker, the latter three men never having run before on the track team, won over many experienced relay combinations.

Lower Merion was forced to bow to Chester and Norristown on Friday in a large field of suburban entries, and to Norristown and Coatesville on Saturday. The last lap of both races were particularly well contested, the three winning teams being grouped within four yards of each other at the finish.

The tennis team scored two more decisive victories over Germantown Academy at Germantown, by a 3-2 score, and over West Philadelphia at home, by a 3-2 score. Both matches were hotly contested but in each case Lower Merion's aggressive spirit subdued the opponents. The next match will be played at Central High on the latter's courts.

CIRCLE MEETS

The Evangel Circle of King's Daughters will hold its regular meeting Wednesday at the usual time at the home of Mrs. Hewitt, 116 Essex avenue. Luncheon will be served at 12.30. The word for roll-call is "Rejoice." Friends are urged to remember the rummage sale May 25 and 26. Goods will be called for upon phone call to Mrs. H. W. Derby at Narberth 328-W.

EARLY HISTORY OF STATE IS SUBJECT

Chosen by State Librarian for Rotary—Boys Invited

TO HEAR INDIAN TALES

Boys interested in the early history of Pennsylvania, when redskins were Indians and not cigar store effigies, will find it worth their while to hear the talk to be given by State Librarian Frederic A. Godcharles Tuesday at 8 P. M. to Bala-Cynwyd-Narberth Rotarians and their wives at the Cynwyd Club.

Indian stories will feature the talk on "Early History of Pennsylvania" which will be given after the usual monthly dinner of the club. Boys from Bala, Cynwyd, Narberth and the immediate vicinity are invited to be present as guests of the club, to hear the talk at 8 o'clock.

Interesting talks on experiences in life and business featured Tuesday's luncheon meeting of the Rotary Club. H. T. Smedley, builder, and William S. Howard, of Narberth, were the speakers. J. A. Miller presided.

Many Rotarians and their wives from Bala-Cynwyd and Narberth attended the Fiftieth District Conference of Rotary, held at Easton, Pa., Monday and Tuesday. Among them were Mr. and Mrs. Guy Croyle, Mr. and Mrs. Hervey C. Keim, Mr. and Mrs. Walter Case, Reverend Frank M. Gray, William H. Decker and Alvin E. Shull.

Installations of new officers will take place Tuesday evening.

Mr. Godcharles, who will speak Tuesday night, is president of the Milton, Pa., Rotary Club. His knowledge of Pennsylvania history has been employed since 1923 in the publication of a series of historical stories, appearing in many dailies of the State.

Mr. Godcharles is an electrical engineer, graduate of Lafayette College, president for years of the F. A. Godcharles Nail Works in Milton. Since 1914 he has also been editor and publisher of the Milton paper, the Miltonian, and has interested himself in civic, political and military matters.

Mr. Godcharles served on the staff of General J. P. S. Gobin in the Spanish American war, having become a member of Company C, Twelfth Regiment, N. G. P., in 1893.

NARBERTH BRANCH RAISES \$35 FOR NEEDLEWORK GUILD

Today at 10.30 A. M. is Last of Annual Meeting.

The annual meeting of the Needlework Guild of America which has been in session at the Bellevue Stratford, Philadelphia, for the past three days has been one of the finest. The first day was given over entirely to the delegates with reports from branches and very fine speakers on the work and what it means in this great United States. Mrs. Thomas J. Preston, Jr., national president, presided at all meetings.

Today the last meeting of this year's session is given over to the juniors and will be held in the Rose Garden of the Bellevue. A very fine tableau by numerous juniors will be given followed by mass singing.

The session opens at 10.30 A. M. and the Narberth branch hopes there will be many of the young girls of the town represented. It will be a very fine instructive meeting and one well worth attending.

At the recent tea given by the Narberth branch \$3 was raised which will go toward materials for the work. Those taking part were Mrs. Jesse S. Harris, Mrs. Joseph Barclay, Mrs. A. H. Durboraw, Mrs. William S. Horner, Mrs. English and Mrs. H. G. Venemann. The program was arranged by the chairman, Mrs. John B. Brooks.

W. H. M. S. MEETS

GIRL SCOUT NEWS

Conducted by Mrs. Victor I. Zelov.
 "Who hath smelt wood smoke at twilight?
 Who hath heard the birch logs burning?
 Who is quick to read the noises of the night?
 Let him follow with the others, for the young man's feet are turning
 To the camps of proved desire and known delight."
 —Rudyard Kipling.

Doesn't this poem of Kipling just make you want to get out your camp togs and prepare for a week or two in camp?

Camp Tall Trees, Media, our very own camp and also the Fifth National Training Camp, promises to be a very popular place this summer, as Headquarters suggests that Captains have their girls fill out their applications as soon as possible after receiving them. If troops are planning a date for attending camp, may we draw your attention to a slight change in schedule? Instead of the one-week encampment, being held the last of the season heretofore, it will be held at the beginning, from July 2 to July 9. After that there will be the regular twelve-day encampments, from Monday until a week from the following Saturday.

Last year we had 44,400 Girl Scouts in all, in camp during the summer months. All told, we had 359 camps, which is a growth of 112 camps. We had so many new camps it was hard to keep track of them.

It is very interesting to see what kind of activities are being developed in Girl Scout camps, and in looking over our reports at National Headquarters, in New York, it was found that we are stressing five main lines: (1) A water program, which includes swimming, life-saving, boating, canoeing and, in some cases, sail-boarding. (2) Camp Craft, which includes outdoor cooking, hiking, trips and learning the skill which goes with living comfortably in the woods. (3) Nature study. People are most enthusiastic about our new nature program, which has been developed by our Girl Scout Naturalist, Dr. Cady. (4) We are doing more and more with aesthetics, which includes dramatic, story-telling, music, English, country dancing, good outdoor poetry and handicrafts. There is much variety in the kind of handicrafts we are doing—plaster casts, blue print collections, map-making and map-mounting, sketching, painting, whittling, weaving and all sorts of interesting woodsy things are coming more and more into use. (5) Wood games. Wood games are becoming so popular that they are rapidly displacing organized athletics. The girls enjoy tremendously making up variations of tracking and trailing games.

We find that many of our campers are looking forward to the time when they will be camp counselors. How glad we will be when that time arrives! Any Girl Scout who has this in mind will be wise to plan her summers so that by the time she is through college she will have some experience and skill which will commend her to a Camp Director. We are swamped with college girls with no special experience in camping who want to go out as camp counselors, but who could not make any real contribution to the program. So, girls, learn all you can about the new nature program, and about cooking in the open and that sort of thing. Of course, music and dramatics are good special lines, too, and there is always place for girls over 21 years of age who are Red Cross life-saving examiners. Learn as many kinds of things as you can, girls, and then specialize in one or two lines.

Remember that we believe, with Sir Robert Baden-Powell, that camping is tremendously important, because a study of woodcraft offers us most easily "a key to the understanding of life."

ALUMNI BENEFIT

The Lower Merion High School Alumni Association will hold a benefit at the Seville Theater in Bryn Mawr next Thursday and Friday for the memorial scholarship fund of the school.

It is hoped that a trust may be established, the income from which will be sufficiently large to educate four worth while students graduating from the high school each year.

VOLUNTEERS WANTED

A meeting of the board of directors of the Main Line Branch, No. 1, American Red Cross, was held at the Memorial Building, Bryn Mawr, May 3, at which the transportation committee hoped that volunteers could be gotten to drive the ambulance for the Bryn Mawr and Ardmore Well Baby Clinics. Anyone able to do this work should apply to Mrs. Edwin Donaghy, Bryn Mawr 926.

With television now a fact, the telephone company's "Voice With the Smile Wins" slogan may become literally true.

Jeddo-Highland Coal

April 29th

PUTTING tags on a special brand of coal is the newest thing in the anthracite trade.

The tag is like a postage stamp and it guarantees that you get the kind of coal you prefer and not something else "just as good," which a dealer may try to sell you.

You know how it has been when you bought coal. "I want Lehigh," you tell your dealer.

"Sure this is Lehigh," replies the dealer and how can you disprove what he says?

"Deliver me ten tons of Schuylkill," orders another man and a third says "I want white ash, or pink ash, or Wyoming."

And likely as not they all come from the same mine. A chemist can tell one from another and there is a wide difference, yet a buyer may be helpless although he, too, knows there is a difference.

WELL, the tag now tells you what you buy, provided you buy a particular coal which chemists assure Ralph Dunne, of Narberth, is the prime anthracite in the world.

Some years ago everybody was calling for a certain oyster. It was a great favorite.

But when you ordered those special oysters, grown by a certain island, you often found that not another kind which the hotel man insisted were what you asked for.

Then the proprietors of that popular oyster thought of a way to beat the cheaters. They nailed a little tin tag to the shell of every oyster they marketed.

After that when you ordered a Smith Island oyster you knew for sure whether you got it.

Tagging coal is like tagging oysters. It assures the buyer he gets the brand he wants.

WALNUT STREET chemist analyzed for Mr. Dunne samples of coal.

Perfect anthracite would be 100 per cent. carbon and leave no ash or clinker. It would do 100 per cent. of fire-making which the buyer desired.

The chemist says this tagged coal has over 86 per cent. of carbon, while millions of tons of other anthracite average only about 70 per cent. of carbon.

At \$16 a ton you can figure out a big difference in these coal qualities.

That's why the mines producing this 86 per cent. carbon coal now send a little red stamp to the dealer for every ton.

Personally, I know nothing about these different coals, but take the word of a reliable firm of Philadelphia chemists for the facts I have given.

If the chemists are right, then you will wonder why inferior anthracite should tax you as much as the best any more than a suit half cotton should be priced as if all wool.

NOTES AND GOSSIP OF MAIN LINE LEAGUE

All Teams Show Increased Activity
With Opener Only Two Weeks
Away.

With the opening game of the season only two weeks off the clubs comprising the circuit are busy lining up players and booking practice games to get a line on the new talent.

Manager Fred Walzer, of Narberth, is sticking close to home talent in building this year's club. From present indications all members of the club will be boys who have formerly played with the club and are residents of Narberth. Micky Burns will do the bulk of the catching and Charley Townsend is expected to be on the mound in the majority of the games.

Berwyn, the league champions of 1926, will play their opening home game Saturday, May 21. Appropriate exercises will mark the opening of the season. Through the courtesy of Gene Baldwin and the Ardmore Rotary Club a feature will be added to the occasion which will be a novelty to Main Line fans. The Ardmore Rotary Club harmonica band, composed of 40 boys fully uniformed, will be on hand to furnish harmony before and during the game.

Dave Frost, whose pitching was a large factor in keeping the Berwyn Club out in front last year, has signed with the Garrett Hill team for the coming season. Johnny Reid, who was with the Autocar Club last year, has also joined the forces of Joe Rogers and will add considerable strength to the infield of the Garrett Hill club.

The many friends of Harry Francis, who was an outfielder for Autocar last year, will be pleased to know that out of a squad of 140 candidates he succeeded in landing a regular berth as right fielder with the freshman team of Notre Dame. This team has played nine games to date, winning seven and losing two.

Manager Dunn, of the Men's Club of Wayne, is very optimistic over the chances of his club for the coming season. He has rounded up a hard-hitting ball club and the fans are sure of seeing a lot of action whenever they take the field.

Charles Eckles and Tom Hinzy have been lined up as umpires for the coming season. Their work the past few seasons has been exceptionally good and the league is fortunate in being able to secure them again this year. Applications have also been received from Jimmy Kerwin and Harry Mossman, both former league players. Other applications will still be considered for this work.

The American Legion of Paoli are backing Ed Redmond in his endeavor to put Paoli back on the baseball map. Ed has an abundance of talent scattered around the Legion posts of that section of the Main Line and is sure to pick out a winning combination.

George Nellings, manager of the Gladwynne Club, has secured Henry and Bob Vogel to do the bulk of the pitching with Johnny Sutton behind the bat. He also has hopes of landing Billy Kane and Joe Cullinan for the outfield. Their field has been put in first class shape and practice games are being held every Saturday afternoon.

The regular monthly meeting of the league will be held Monday evening, May 9, at No. 47 East Lancaster avenue.

A Thought For MOTHER'S DAY

It is usually Mother who is Commander-in-Chief of the home—who plans the meals—supervises expenses and takes care of the thousand and one details which come up. She is also the purchasing agent.

Trips to the dirty, noisy city for purchases do not make Mother's life any easier—do not give her time for herself. Purchasing should be done quickly and easily, but with due economy.

Help Mother to Shop in Narberth. The business section is complete and modern. Merchants can be trusted, and need not be haggled with. Most stores have delivery service. A telephoned order to a local tradesman will be honestly filled, and with precious time and strength saved.

Make Mother's days easier. Help her to

COMMUNITY CLUB INSTALLS NEW OFFICERS AT LUNCHEON

Mrs. Farmer Will Take Chair at Spring Meeting.

Installation of new officers will feature Tuesday's luncheon of the Community Club, to be held at 1 P. M. in Elm Hall. Metamorphosed into a corporation, the club will elect four directors.

In spite of the usual presentation of reports, the spring luncheon will be informal, a sort of family party, where merriment often mingles with nominations and statistics.

The list of new officers follows: President, Mrs. C. Arley Farmer, of Woodbine and Cleveland avenues, succeeding Mrs. Leroy C. Douglass; first vice president, Miss M. C. Runyon; second vice president, Mrs. H. I. McConnell; recording secretary, Mrs. J. A. Hongler; corresponding secretary, Mrs. J. D. Sutherland; treasurer, Mrs. C. H. Shaw.

The club is again to have a table at the Bryn Mawr Little Garden Day Sale on May 24. Mrs. H. A. Jacobs, civic chairman, is to be in charge. This is a day of great opportunities to add to the treasures of your garden.

CHAIRMAN ANNOUNCED

The fifth annual Little Garden day sale, under the auspices of the Main Line Federation of Churches, will be held on May 24 from 12 to 7 P. M. on the grounds of the Memorial Building, Bryn Mawr and Lancaster avenues, Bryn Mawr. Mrs. J. Emott Caldwell is chairman and Mrs. W. E. Stanley vice chairman. The following have consented to act as chairmen for the different booths: Rosemont, Mrs. Herbert Church, Mrs. Walter Farrow; Bryn Mawr, Mrs. Robert W. Thompson; Ardmore, Mrs. J. Howard Cloud; Gladwyne, Mrs. W. B. Lowmes; Wynnewood, Mrs. Johns Hopkins; Lanerch, Mrs. W. B. Cowan; Narberth, Mrs. Harry A. Jacobs.

There will be several new features this year, the most important being a lecture on "Practical Gardening" at 2 P. M. Lunch will be served from 12.30 to 1.30; the lecture is included in the lunch ticket. Other features will be pony rides, drives for the children, a trick man, moving pictures. FOURTH SEASON ENDS NEXT SUNDAY

Main Line Orchestra Will Be Heard With Soprano

VOGEL WILL CONDUCT

The last concert of the series for its fourth season will be given Sunday afternoon, May 8, at 3.30 at the Ardmore Theater by the Main Line Orchestra, Adolph Vogel conducting. Miss Charlotte Simons, soprano, will be the soloist, singing "Caro Nome" from "Rigoletto," with the orchestra; and, in the second part of the program, a group of solos, namely: "Viens Aurore," composer unknown; "The Swans," by Kramer, and Hagerman's "Me Company Along."

Miss Simons, who is from Chicago, is a scholarship pupil of the Curtis Institute of Music, studying under Mme. Sembrich. William Harnes will be Miss Simon's accompanist on Sunday.

The Main Line Orchestra started in October, 1923, with 17 members at the first rehearsal. The first concert was given in January, 1924, at Lower Merion High School before an audience of 700 people. Since that the orchestra has been giving four concerts each season at the Ardmore Theater, Ardmore. The orchestra has been increasing its standard of musical programs ever since its incorporation, playing now works of the great masters, music of great difficulty, and giving these programs, according to Philadelphia critics, in a manner deserving of the highest praise.

Adolph Vogel, the present conductor, has been the only conductor for the orchestra. Mr. Vogel has brought this organization, which is supported by the Main Line Orchestra Association, headed by Charles S. Powell, from a small beginning of 17 inexperienced amateur players to a combined force of 50 members rendering programs in such a manner that the orchestra has been acclaimed by musical critics as the finest amateur orchestra in the East.

COUNTIES GAS AND SUBURBAN TO UNITE

Sixteen Smaller Companies Will Also Be in Merger.

PLAN BIG BOND ISSUE

Approval by Governor Fisher of the merger of the Counties Gas and Electric Co. and the Philadelphia Suburban Gas and Electric Co. with 16 smaller concerns under control of the United Gas Improvement Co., was announced at the U. G. I. offices Wednesday.

The Governor approved the consolidation of the companies, with assets aggregating close to \$75,000,000, at Harrisburg.

The consolidated corporation will be known as the Philadelphia Suburban-Counties Gas and Electric Co., and serve residents of Bucks, Montgomery, Chester and Delaware counties.

A. W. Thompson, president of the U. G. I., announced the new company will shortly issue \$10,000,000 of 4½ per cent. 30-year gold bonds.

A customer-ownership campaign also will be launched, and \$3,500,000 of 6 per cent. preferred stock will be offered to consumers of the new company.

The companies concerned made their proposal of consolidation originally to Governor Pinchot, who turned it down on the grounds that the rates charged by the Philadelphia Suburban Gas and Electric Co. were too high. This objection was met in a revised plan offered to Governor Fisher.

The smaller companies included in the merger are the Bryn Athyn Gas Co., Bryn Athyn Electric Co., Bryn Athyn Heat and Fuel Co., Spring City Electric Co., Warminster Township Gas Co., Warminster Township Heat and Fuel Co., South Coventry Township Electric Co., Royersford Electric Co., Newtown Square Gas Co., Newtown Square Heat and Fuel Co., New Hope Electric Co., Langhorne Electric Light and Power Co., Bucks County Public Service Co., Bucks County Gas and Fuel Co., Doylestown Gas Co., and Bucks County Southern Gas Co.

The merger was explained by Mr. Thompson as "another step into carrying out the announced policy of expansion" by the U. G. I.

"As set forth in our annual report," said Mr. Thompson, "because of the advances in the art of rendering public service, namely transportation, light, heat and power, as well as in the use of gas for manufacturing and domestic purposes, there seems now need for greater managing organizations which have the ability to organize the systematic and economic handling of public utility companies in their local service as well as the consolidation and merger of companies where they make for greater economies and effect lower costs to patrons and provide better structures for financing."

"Unified operation by co-ordinating existing facilities and organizations will provide a more efficient and dependable service and enable more effective methods to meet adequately future requirements, particularly in the communities heretofore served by more than one of the companies."

Kuneki C. F. G.

May 14 you will see the Kuneki Campfire Girls selling you some good cakes at Lyons' old hardware store. It is between Paperman's market and the American store. Don't forget to come and see our cakes.

Tuesday evening we had our ceremonial at our assistant guardian's home, Miss McKay, in Philadelphia. We had the regular ceremony and gave seven girls their rank of woodgatherer. They were, Frances Little, Harriet Marsh, Edith Funk, Helen Nice, Mary Jean Poorman, Betty Magarity and Mabel Millard.

After this we admitted two new members to our circle. They were Anne Van Auken and Mary Hope. We initiated these two girls after the ceremonial. What fun we had. Well, don't forget the cake bake!

TIME not WORDS proves a tire's value

EVERY NEW TIRE LOOKS GOOD.

Dunlops not only look good, but they make good—over rocks and gravel, and ruts and sand.

Thirty-nine years of experience has shown Dunlop how to design a tread that gives maximum traction and slow, smooth wear.

This Dunlop tread is the toughest development of rubber known. And this same tough tread-rubber is carried clear around the sidewall to give maximum protection against rut wear.

You get the full benefit of all this extra tread-mileage because each Dunlop is built with the famous trouble-free cable-twist Dunlop carcass, to provide the high-strength and elasticity so vital to long tire life.

We recommend you put Dunlops on your car

Moth Eaten

Some of your expensive furs may be so labeled by the end of summer unless you arrange now to give them the home they require.

For many years Aromatic Red Cedar has been looked upon as the desirable kind of wood for lining storage closets. After all, one of the secrets of a moth-proof closet is one tightly constructed.

By using tongued and grooved boards 3/8 inches thick by 3 1/4 inches wide you can make, or have made, a very acceptable addition to your home comforts. You may also test your ability with tools by making a Cedar Chest similar to the cut shown in one of our previous ads.

LOCAL EXHIBITORS WIN AS INDOOR SHOW OPENS

Small Group of Spectators Find Few Thrills.

The Indoor Horse Show started with the usual small group of spectators on Wednesday night. The most interesting class was the Hunters and Jumpers Class, open to all, which was won by Gray Dawn, owned by the Black Oak Farm. Rambler, owned by Capt. Clement B. Wood, took the red ribbon.

The enthusiasm will be more marked during the remainder of the week, reaching its climax at the last championship jumping class on Saturday night. The work of the various committees has been ably handled and the entry list is larger than ever before. To the delight of true horsemen and the disappointment of thrill-seeking spectators there were only two spills on the opening night.

The proceeds of the show will be given to the American Hospital, the Oncologic Hospital, the Garretson Hospital, the Samaritan Hospital, the Babies' Hospital of Philadelphia, Howard Hospital, Jefferson Hospital and the Hospitals of the Graduate School of Medicine of the University of Pennsylvania.

Your Telephone Patrol

"To see that the track is quickly cleared for YOUR call"

The "telephone patrol" is a familiar sight on city street and country highway

YOUR SERVICE depends on more than just the way your own instrument and line are working.

Any moment you may call for connection with a telephone two, ten, a hundred or a thousand miles away.

Your call may hop underground and emerge somewhere across town.

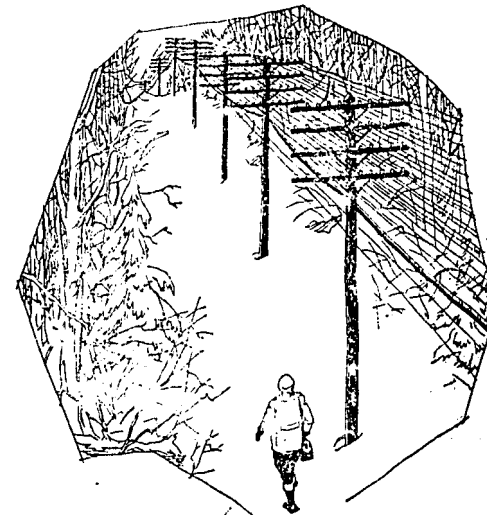

It may follow one of the great cable highways, or head off along some winding pole-line into the next county.

But, whichever it may be, your service is constantly patrolled, in trucks and cars and afoot, along four million miles of wire in Pennsylvania—to see that storm and sleet, wind and flood are out-manoeuvred—to see that the track is quickly cleared for your call when the elements get the upper hand.

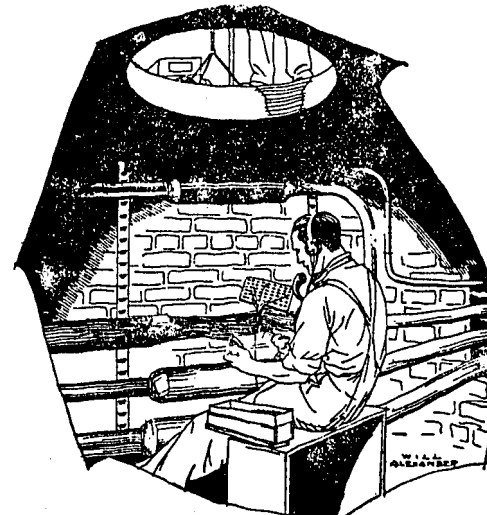

These men are serving you personally.

With them it's not just an eight-hour day, but a job in your interest.

Not just that the traffic shall flow along normally, but that your call shall go through.

"Your service is constantly patrolled . . . along four million miles of wire in Pennsylvania"

"Your call may hop underground . . . and the subterranean lines must be kept clear"

The Shelf Grows

Last year when the library entered its new quarters, the Fort-nightly Club, a group of women residents of Narberth, banded together for cultural opportunities, contributed enough money to pay for a new shelf at the library and also to purchase a book to place on the shelf. Their purpose is to provide for the library distinctive books of an educational character. Last year the book chosen was "The Practical Book of Oriental Rugs," which is an artistic history and explanation of that very popular subject, with very many fine illustrations.

The club has recently given another book of a similar character, "The Practical Book of China-ware." Everyone today is interested in some phase of the fine examples of an earlier art that have been preserved and almost everyone is the proud possessor of some piece of "grandmother's china." That possession and interest prove the value of the book above mentioned. It is now ready for circulation.

JUNIOR BASEBALL LEAGUE IS FORMED

Four Local Teams Will Combine in Series of Games.

A Junior Baseball League has just been formed in Narberth, comprising four teams—the Junior Elephants, the Ardmore Eagles, the South Side Boys' Association and the Nar-Mer Boys' Club.

At the close of the series of games which will be played this year, a cup will be awarded to the winning team, towards the purchase of which each team is contributing \$2.

The first games of the series were played last Saturday. The South Side Boys were defeated by the Nar-Mer Club by a score of 13-7, while the Junior Elephants, playing against the Ardmore Eagles on the Autocar field, won 18-7.

This Saturday the Nar-Mer team will play two games with the Eagles at Ardmore.

From the theater benefit at Ardmore, which the Nar-Mer Club held recently, \$82 out of a possible \$100 was made. This will be used to pay for the 14 blue and gray uniforms which have been ordered for the team.

Arrangements have been made to have the Merion school grounds as a home field, as soon as they have been put into condition, but at present the boys are playing on the MMerion Tribute House field.

MINSTRELS DUE SOON

Boy Scouts Prepare for May 20 and 21 Humorous Classic.

Two more weeks! The Boy Scout minstrels, under the guiding hand of "Dick" Farrand, of Philadelphia, are getting the swing of the dances and songs, so essential to a good minstrel show. The harmonica band has been fitted out with brand new instruments, and its four members are tuning up for the occasion.

The interlocutor, as well as the four "end men" have been selected, and rehearsals are had every Monday and Friday evenings. According to Mr. Farrand, the boys are very quick to "catch on" to the specialties, and all indications point to this year's affair as having the possibilities of "the best ever."

Tickets were distributed among the boys last evening during the regular meeting of the scout troop. Each boy will be expected to sell a minimum of 14 tickets in order to be entitled to a week's stay at Camp Delmont in July.

Friday evening, May 20, will be devoted strictly to the show, while Saturday evening will have the added attraction of dancing after the show until midnight. For this purpose an orchestra has been engaged.

This minstrel show has been dignified as the season's humorous classic.

DAUGHTERS OF 1812 MEET

The General Robert Patterson Chapter, U. S. Daughters of 1812, will hold a stated meeting at the home of Mrs. F. G. Pierce, 34 West Phil-Elena street, Germantown, Thursday, May 12, at 2 P. M., followed by tea in honor of Mrs. Samuel Z. Shope, the newly elected president national.

The regent and officers of the chapter will receive with Mrs. Shope. The chapter will also have as guests presidents of other patriotic societies.

SCOUTS DON'T GET CITIZENS' SUPPORT

Only 67 Respond of 1200 Residents Asked to Aid Boys.

MUST PROGRAM FLOP?

Keen disappointment was felt at the last meeting of the Fathers' Association of the Boy Scouts over the fact that but 79 contributions had been received toward the 1927 budget concerning which over 1200 residents of the borough had been advised in a special letter. The report of the treasurer stated that the replies had actually stopped coming in, and that but half of the sum required had been subscribed.

The names of those who have sent in their contributions, but who have not as yet been acknowledged through "Our Town" are: F. H. Blake, Peter Stam, Jr., G. O. Schroder, R. R. Crowell, J. S. Harris, John Burt, William Ritchie, Mrs. C. E. Kremer, E. K. Monnington, Kern W. McHose, Lawrence R. Davis, "The Hewitts," S. C. Campbell, Walton M. Wentz, W. S. Horner, Fletcher W. Stites, E. P. Dold, I. Q. Mackey, Thomas U. Schock, Harold R. Perry, Lloyd B. Edgerton and Kathryn E. Wolf.

The work among the boys is going on apace. Without the full amount of the budget, however, it will be impossible to carry through the program as outlined.
